turns are not in; but what are, are rather blue-indi- the ownership of this treasure. If the bills can be half past eight in the evening, a most disgraceful and cating no choice by the people of Governor. It is identified, we suppose there is no doubt that they are violent encounter took place between two companies majority of the towns heard from. The down easters freehold-they cannot, we suppose, be regarded as over half an hour between these two companies, in rality may elect.

MASSACHUSETTS .- At the Democratic State Con- them, the finder will hold them. vention held for the purpose of nominating State candidates, Hon. Isaac Davis of Worcester was amount of her paper now in circulation is only about just returned with a company of his regiment from nominated for Governor, and Hon. George Hoop of \$1400. Lynn, for Lt. Governor. If the Democrats of the Old Bay State will stand firmly together, and vote as one man, as we do here in Indiana, we predict their thirty-two and a half per cent. of the children born complete success with the above ticket. We hope in the capital of France are illegitimate. The births in 1844 were: they will give us a chance to crow for them.

CAPT. SIMONSON .- We are informed that our old friend, Capt. Simonson, now in the regular service, has enlisted 70 recruits, 66 of whom are now at Jefferson barracks. He is still recruiting for the regiment, his own company being full and 24 over, including 30 enlisted by Lt. Taylor. Indiana will be well and ably represented in this new regiment, in officers and men also. Success to them, say we.

ALL DONE FOR .- The Horticultural Fair; the Military Encampment ; the Great Northern Party!; and various smaller scenes and wonders, are wofully fixed by the slight showers of Thursday and Friday. All will yet be right, as we verily believe. Some young folks attribute the rain to Thursday evening's doings in different parts of the town. Decidedly wrong.

A Good Christian.—The Pittsburgh Gazette has a last twenty-seven years the ratio of the whole popuhere and be prepared for hereafter!

THE LAW OF LIBEL .- The N. Y. Journal of Com- over females. merce has the following sensible and true remarks on the Law of Libel: "The public are suffering severely for their severity towards the newspapers on the subject of libels. There are a multitude of frauds which 926, being an increase of about half a million over investigation be had. The boat has been detained the newspapers would readily expose, were it not for 1845. The tax is \$115,637 98-70 cents on the with the Georgians on board, and a strict guard kept the apprehension of illiberal verdicts. Many of them \$100. Number of polls 6,437, an increase of 1,040 up during the night. are proper subjects for newspaper animadversion; yet over 1845. such is the tenderness of public sentiment towards the personal rights of notorious villains, that the newspapers do not deem it safe to guard the people 600-tax, \$64,558 20, as follows: against them. The editors may all know that some sign hung out in Broadway is only a decoy to robbery, vet the only way is, to be quiet, and let the people be robbed until they learn to protect more liberally those who would protect them."

Good Advice .- We have long kept the following good advice before us; and finding it peculiarly apropos just at this time, we have concluded to put i again in print, for the benefit of all concerned :

" What if people do speak against you? Let then feel that you are able to bear it. What is gained by stooping to correct every word that is whispered to your discredit! Lies will die, if let alone; but if you repeat them to this one and another, because your enemies had the imprudence to make them, you keep the fire a burning, and open the way for a dozen slan- Telegraph lines in operation, as follows: derers. Keep on your course, go straight forward, From New York to New Haven, Hartand trouble not your head about what is repeated, but ford, Springfield and Boston, feel all the better, and wear a less frightful face. From N. York to Albany, Utica, Auburn, Slander never killed a sterling character, and it never Syracuse, Rochester, Lockport, and Bufwill. Her coats will not sit upon him without a pull falo, here, a jerk there, and a twist below; and while this From N. York to Philadelphia, Baltimore, work is going on, the false words are forgotten by the and Washington,

BANK OF ENGLAND CLERKS .- There are 800 clerks From Boston to Portland, (110 miles, half employed in the Bank of England, and their salaries finished) range from \$250 to \$10,000; the increase being gra- From Ithaca to Auburn, dually made in proportion to their term of service, in-dustry, ability, and honesty. This system not only secures capable men, but is almost a certain preventive

Capital Punishment. "S."-No. IV.

I find I have not only the annihilating " J. W. B " to at- above quotation. Hear him?

to the proposition of Mr. "F." to do so. I will inform you self-sameress of Adam." Not, Should the municipal law prescribe and inflict death on would pass much better for a ridiculous caricature of some an innocent man accused of murder, or on a horse-thief or a impious wag, than for a grave trafficiation. Why do I who counterfeiter, or any thing else? Not whether "the gal-

pursue its history, so far as it is connected with this ques- conduct. He either cannot speak intelligibly, or be will not do ation of all agricultural riches. If more oil is consumed, the culture of the poppy, the olive, and rape-seed will be extended. The rich and exhausting plants will profit by the fertility which the raising of plants will profit by the fertility which the raising of the poppy is a seed will be extended. The rich and exhausting plants will profit by the fertility which the raising of the poppy is a seed to what it is found to teach. I am on a voyage of discovery, to ascertain, on author of it called "a wide, deep, wonderful scholar" who to teach. I am on a voyage of discovery, to ascertain, on the principles of induction, what it teaches us to do with the murderer. Any one who is willing to ascertain the truth at the source from which it flowed "!!! Wonderful, insword. They had been engaged but a few moments, when some cowardly villain among the rioters fired a pistol at him, which passed through the thick part of his neck from behind into his mouth, knocking out one of his neck from behind into his mouth, knocking out one of his neck from behind into his mouth, knocking out one of his neck from behind into his mouth, knocking out one of will not be greatly extended. The core results are the source from which is middled. The core results are the source from which they end on the question, will not object either to my manner of indeed! Shall we be carried away with this great flourish, who is self-willed, and prefers his own whims—the vestigation, or the source I look to for information. But he will not object either to my manner of indeed! Shall we be carried away with this great flourish, who is self-willed, and prefers his own whims—the vestigation, or the source I look to for information. But he without utility, like the flowers from which they erganise of his own imagination—to truth, will perhaps raise an object of the source from which they extended? Shall we be carried away with this great flourish, who is self-willed, and prefers his own whims—the vagaries of his own imagination—to truth, will perhaps raise an object of the source from which they extended? Shall we be carried away with this great flourish, who is self-willed, and prefers his own whims—the vagaries of his own imagination—to truth, will perhaps raise an object of the source from which they carried away with this great flourish, who is self-willed, and prefers his own whims—the vagaries of his own imagination—to truth, will perhaps raise an object of the source from which they carried away with this great flourish, who is self-willed, and prefers his own which they carried away with the source from which they carried awa neck from behind into his mouth, knocking out one of his regiment. The wound the assistant Surgeon of his regiment as the assistant Surgeon of his regiment. The wound the assistant Surgeon of his regiment as the assistant Surgeon of his regiment. The wound the assistant Surgeon of his regiment as the assistant Surgeon of his regiment. The wound the assistant Surgeon of his regiment as the his teeth. Such is the report to me this morning from the assistant Surgeon of his regiment. The wound is not this morning considered mortal, although last evening I did not suppose he would be alive at this time. He is more comfortable than could be expected, and we now entertain no doubt but that he will recover. In addition to Col. Baker, Capt. Roberts was slightly wounded by a pistol shot. Capt. Post, Acting Commissary, slightly. Sergeant Helm, of Company C. missary, slightly. Sergeant Helm, of Company C. baddy wounded—a ball passing directly through his body. Curporal Ursary very slightly. Private Dillon mortally wounded with a bavonet—he probably will mortally wounded with a bayonet—he probably will poor collector of turpentine on the summit of his ledge in any other way than by learning it—I never ex-

self being the executioner.

Another very eminent and public-spirited citizen, of the post-deluvian world; Nosh, with his wife, his three whom they would recall their own experiences, would sons and their wives, descended from the ark upon the earth sigh. But let me not disturb that vale of oblivion, ment of domestic industry, and had already made out an order for a heavy supply of Italian marble mantels and other ornaments, for his new six story residence and other ornaments, for his new six story residence is brought on the tapis—a new system of their animal exist.

On one occasion it was necessary to send me on an

> have I given you all things: But it sh with the life thereof, which is the blood thereof, shall ye not eat. And surely your blood of your lives will I require; at the hand of every which had belonged to my mother in days when her

tle Missouri. Mr. S. left Bent's fort on the 18th of new Tariff law, and will be obliged to encourage in the image of God made he man." This portion of the divine second is plain and easy to be settlements. Mr. Bent arrived at his fort the day be- Orders, without number, for shawls, costing three out cavil. But persons who don't want to understand it, in His rags fairly fluttered in the breeze; his last was fore the former left. On his way in, Mr. S.'s party were attacked by a band of Sioux, who attempted to rob them of their horses. A large party, composed of the warriors of 600 lodges of the Missouri and lars, have been unavoidably withdrawn. North Fork tribes, have started on an expedition to meet the Snake Indians, who have sent them presents the mournful state of things consequent upon the passion it is, and has been ever since man was created. Some his gait, of "I'm as good as you" leer in his eye sage of the new tariff bill, and point conclusively to the 1600 years, or more, before this was spoken, a certain emi-

the fact that God, when he spoke to Noah and his sons, meant-

what he said, and not something else. FARMERS AND A HIGH TARIFF.—The " lords of the My friend "F." says, that in order that the above passage ed himself in favor of the American emigration; but loom" thought they were mighty cunning when they be admitted as an argument, I must prove that the English General Castro is hostile to it. Mr. S. says, rains got up the tariff of 1842, and supposed they had have been frequent in the territory the past year. This gulled the farmers pretty essentially by putting high duties on all agricultural products of from 25 to 150 as it is found in one of the most remarkable, one mankind.

> translation. And I say further, that I would not if I could, because I believe it to be unnecessary. Persons who want

five to twenty per cent. Which party protects the lated it substantially the same way. Fourth. Lastly and above all, God himself, and inspired men, have given to the passage the construction which the

common translation gives it. The statute against the eating said, will be appointed Attorney General of the United found him guilty, and the court sentenced him to the of blood contained in the passage, was incorporated into the law given by God, to the Jews, through Moses; and also it spare some moments.

States, in place of Judge Mason.

was declared to be still in force and of binding authority, by the solemn decision of the apostles and elders at Jerusalem, who called it one of the "necessary things" to be observed by the Gentile world as well as the Jews; while at the same soah and his sons, in the passage tinder consideration. By the solemn decision and adjudication they, of the proper tri-bunal, this was decided to be in force, and "still imperative on us," of which my friend "F." will take notice, though I now only incidentally allude to it. So of the law requiring the life of man at the hand of "every beast," and at the hand of every man's brother. These God said were his laws by transferring them to the Jewish code; and by calling "every man's brother" "the avenger of blood," and declaring that the murderer surely should be put to death, he shows that he meant what the common version represents him as saying when he spoke to Noah and his sons. But I will

consider these motters more at large as I travel down the stream of the time through the divine volume. I conceive this to be a proper place to examine what Mr.

"4. But the bodily shape having by the soul itself, the ." 5. For that sanguineous likeness yours, (which acts acto insert in your paper (as you have a perfect right to do) of every living. I will prosecute it (I will avenge it) and squibs from other papers, aiding their side of the discussion and opposing mine. I do not complain of this; I only allude from the hand of Adam (the collective man) and from the

You and my friend "F." think I should discuss this sub(mankind) through Adam the blood his own shall be shed; from us. We pray that you will be pleased to make ject methodically; and you express a hope that I will agree because in the universal shadow of him the God he made the

match-seller in the kingdom, whose condition will not be ameliorated through the success of our petition."

EFFECTS OF THE NEW TARIFF.—We record, says

Col's government of man none such that now be made.

Which is perfect "came nearly eighteen centuries ago; and to say that "mankind are breaking away from (its) trammels." is not showing that they are "advancing" in "the stage of civilization"; but the reverse. God's system is one not susceptible of "reform," at least by human hand, upon the form which once enclosed her strong and the Pennsylvanian, the progress of " ruin" since the though the reformers may have exalted notions of their wis- gentle spirit-was what is commonly called an amthe Pennsylvanian, the progress of "ruin" since the new Tariff has passed Congress, with profound sorrow.

Though the reformers may have exalted notions of their was what is commonly down, benevolence, and humanity"; and I humbly conceive myself not to be reprehensible, justly, though I may make an "almost unyielding opposition" to an attempted reform (!)

The results are the statem by such hands. I will now proceed from the point at which I left my crty ever darkened. The struggle between the wish of the prosperity of the people under the Tariff of argument, where the curtain dropped at the first grand and to keep up appearances and the pinching gripe of ne-680,776, being an excess of 61 per cent. of males nah—the other a company of Americans. A meeting 1842, has been forced to abandon the idea, and to awful infliction of Capital Punishment—the Almighty him cessity, produced endless shifts and contrivances, at After the abatement of the waters of the fi sod, the father which, we are told, some would smile, and some, to

has "countermanded" the aforesaid order, and is now forced to rely upon the marble of his own country!

On one occasion it was necessary to schd ine on an errand to a neighbor in better circustances than ourforced to rely upon the marble of his own country! On one occasion it was necessary to send ine on an should be presented in the best possible aspect. Great "And God blessed Noah and his sons, and said unto them, pains were accordingly taken to give a smart appearporting a supply of elegant German and French wines fear of you, and the dread of you, shall be upon every beast ance to my patched and dilapidated wardrobe, and to porting a supply of elegant German and French wines of the earth, and upon every fowl of the air, upon all that moveth upon the earth, and upon all the fishes of the sea; of time had made in them; and by way of throwing the new law, he will make but ten or fifteen per cent. into your hand are they delivered. Every moving thing over my equipment a certain savor and sprinkling of that liveth shall be meat for you; even as the green herb gentility, my red and toil hardened hands were enclosed in the unfamiliar casing of a pair of gloves,
